Explanation of Our Worship

This brief explanation is intended to help explain the rationale for our mode of worship. In our day, it is customary to classify worship as "traditional" or "contemporary." Since the God we are worshipping is timeless, we avoid such time-bound references to characterize His worship. We prefer to call our worship "biblical."

While worship is the highlight of our week, indeed of our lives, and while it reunites us with our church family, the focus of worship is not on ourselves, but on God. There are two fundamental principles involved in biblical worship: (1) Worship is governed by what God has revealed about Himself in His Word. A corollary is that worship is to be in accord with what He has prescribed as acceptable worship. (2) Worship is a dialogue between God and His covenant people. So defined, worship is a communication. In this communication God speaks to us through His Word and we respond to Him either in prayer or in singing. Every aspect of worship must have a biblical reason and a biblical defense. It is of utmost importance that we assume a reverential posture in the presence of God.

The Consistory supervises and is responsible for every aspect of our worship service. The pastor, or guest pastor, leads us in worship, under the authority of the Consistory.

The songs we sing are chosen primarily for their theology or biblical accuracy. Biblical worship is aware of the importance of music to God, and has always appreciated melody, harmony, and rhythm. But all of that is secondary to a higher, primary concern: faithfulness to Scripture. Our songs are intended to complement, support, and apply the theme of the message.

1. *Call to Worship*: The Lord officially summons us to worship Him. This is usually done with the reading of an appropriate Scripture passage.
2. *Prayer of Invocation*: We call upon the Lord to assist and prepare us for the solemn task of worshipping Him; that our worship would be acceptable to Him.
3. *Hymn of Praise*: We extol the Lord in singing.
4. *God's greeting*: God welcomes us in His house of worship, and greets with His "Grace, Peace, and Mercy."
5. *Reading of the Law*: Here we hear God's law proclaimed to us. The Law is normative for our lives and reveals God's will for Christian living.
6. *Hymn of Confession*: In acknowledgement of our failure to keep the Law, we implore the Lord's mercy, or sing of His mercy. In some cases, a song of gratitude may also be sung at this point.
7. *Assurance of Pardon*: In response to our song of penitence, the Lord responds with the assurance that our sins are forgiven in Christ, wholly by grace.
8. *Congregational Prayer*: Here, the worship leader addresses the Lord with the petitions of the congregation. Prayer is often composed of Adoration, Confession, Thanksgiving, and Supplication, or ACTS.
9. *Hymn of Preparation*: This song prepares us to hear the word of God, often anticipating the theme of the sermon.
10. *Sermon*: This is the center of the worship service. It is not because we place a premium on oration or human eloquence. It is because at this point the Lord speaks to His people, through His word and servant. The purpose of a sermon is to focus on Christ and His finished work. The desired response is *never* "what a preacher," but *always* "what a Savior!"
11. *Hymn of Response*: We respond with appropriate singing, again emphasizing the theme of the sermon.
12. *Offerings*: This is an offering to the Lord, usually for a cause we support.
13. *Doxology*: This is a song in which we celebrate the glory and supreme majesty of God, while accentuating our complete dependence on Him and His goodness to us.
14. *Benediction*: The worship service is officially over. The Lord dismisses us with His blessing.

If you have any further questions about our church or ministries, please do not hesitate to contact one of our elders or the Pastor.

"Let your conduct be without covetousness; be content with such things as you have. For He Himself has said,
"I will never leave you nor forsake you."
