The Christmas Program has been rescheduled for January 2 following the morning service. Installation of new elders and deacons will take place in the evening D.V.

Sunday evening, January 2, D.V., our offering will be for Third Millennium Ministries (TMM).

TMM's goal is to provide Reformed Theological education to thousands of pastors around the world who lack sufficient training for ministry. They do this by publishing multi-media and digital seminary curriculum and distributing it at no cost to the American continents, Asia, Europe, Africa, Australia and the Middle East. The church is growing rapidly and TMM seeks to work cooperatively with traditional forms of education to meet the tremendous and urgent need for doctrinally sound educational material.

Our offering will be used to support Norlan De Groot, who is a writer for TMM, and a member of the Sioux Center URC. A copy of Norlan's quarterly newsletter is included in the handout; or, you may access their main website at www.thirdmill.org. You can also visit Norlan's website at www.norlandegroot.webs.com.

Please give this cause your prayerful consideration as we work together to spread the Gospel.
