Luz de Vida – Tumbaco

Last time I shared that our place in Tumbaco was starting to feel too small. By the grace of the Lord, we found a larger place at a better location and at a cheaper cost.

Starting February, Luz de Vida Tumbaco will start meeting in a business convention center located in front of San Francisco University in Cumbayá.

Cumbayá and Tumbaco are basically the same town, so now we need to see what to do with the name. Will it be Tumbaco or Cumbayá?

More importantly, we hope the Lord will use this new place for his glory.

New Opportunities

We have a group of people from the South of the city attending Luz de Vida, which is located on the other side of town. They make a long trip every Sunday in order to get to Church on time.

They have been faithfully attending for several months and are taking our basic and membership course.

This, of course, has started us thinking about a new preaching point in the south of the city. Rev. Donoso is meeting with them every Friday.

There is a great need in that area. Please pray for this possibility.

Basic and Membership Courses

We have 7 people attending the course in Tumbaco, which is about to finish and 4 in the South of Quito, at the time. They have been faithful in their attendance and we think they will finish and become members.

Christmas Program

Our Christmas program was a great opportunity for singing, witnessing and fellowship. Our adult choir sang eight hymns related to the incarnation of the Lord.

Our children sang a hymn to the Lord in front of our guests too:

After, I preached from 1 John 1: 1-4 to our guests, most of them from a non evangelical background.
